

Afterschool Program **3pm-5:30pm**

We offer afterschool care for our students Monday – Friday during the school year.
There is no aftercare school care on Half Days.

Aftercare is staffed by one SSCS staff member and a high school student helper.

Snacks:

Kids who are in aftercare are given a light snack (ie pretzels, goldfish, cheezits) around 3:15.

Parents may send in additional snacks with their kids if they choose.

We also have a snack shop at school which is open during recess and lunch.

Homework:

If kids have homework, they may complete it during aftercare. Parents are responsible for discussing their expectations of homework completion with their child. Some parents prefer that their homework is completed at aftercare, while others are fine with it being completed at home.

Afterschool Rates:
