

APPENDIX A
SAINT SIMONS CHRISTIAN SCHOOL
HEALTHY ONLY CAMPUS
DAILY HEALTH SCREENING AGREEMENT AND WAIVER AND INDEMNITY AGREEMENT

Saint Simons Christian School (SSCS, the school) is hereby providing notice to me that it intends to reopen its school program on Thursday, August 12, 2021, with in-person attendance by both teachers, staff and students. I/We understand that SSCS cannot fully protect my child/student and/or me from every risk which may be encountered as a result of my child attending the school and/or participating in any school-sponsored program. I/We realize there are inherent risks with natural, mechanical, and environmental conditions and hazards which may occur independently or in combination with any activities engaged in while participating in this educational program; however, I/We believe the SSCS faculty and staff have done their best to ensure the health and safety of persons on their campus.

In consideration for being permitted to utilize the services, classrooms, teachers, and programs of SSCS and/or for my children to participate for any purposes in such, or to participate in any off-site programs affiliated with SSCS, the undersigned, on behalf of himself, herself and such participating children and any personal representatives or assigns, (the undersigned) hereby acknowledges, agrees, and represents that he or she has inspected and carefully considered these such activities and premises, equipment, facilities, and other reasonably connected property of SSCS and/or its faculty or staff and that the undersigned finds and accepts the same as being safe and suited for the use and participation by the undersigned and such participating children.

In addition, the undersigned acknowledges that the novel coronavirus, (aka Covid-19, "Covid") infections have been confirmed throughout the county of Glynn, the state of Georgia, and the United States of America. The following shall also be agreed to by the undersigned:

I/We agree to abide by the Healthy Only campus framework and acknowledge the following:

- **Before** coming to campus, I/we agree to self-screen for any symptoms (see Appendix B for a full list of COVID symptoms and the Parent Handbook for common illnesses).
 - Prayer: Daily, each SSCS parent, student, volunteer, or staff member agrees to pray and seek God about his or her health and to use wisdom in the decisions they make about attendance.
 - Communicating Health Status: If staff or students are not feeling healthy, they agree to let the nurse know of their health status as soon as possible and agree to stay at home until the nurse clears the staff or student to return. Any student remaining home with COVID-19 and/or symptoms may participate in distance learning as their health permits.
- Only non-symptomatic and fever-free persons will be allowed to enter the campus.
- Daily Health screening will be performed individually before entering the campus. Any student or staff member displaying symptoms of illness (Appendix B, Parent Handbook) will be directed to leave campus immediately. Clearance to attend/return to school will be decided based on the nurse's assessment, the sick policy in the parent handbook and current public health guidelines.

- Any person entering the campus who exhibits a temperature above 99.9 will be directed to leave campus immediately. Clearance to attend/return to school will be decided based on the nurse's assessment, the sick policy in the parent handbook and current public health guidelines. During the school day, students presenting with signs of illness (Appendix B, Parent Handbook) will be isolated until parents arrive. Parents will be required to pick up the student immediately and follow the early check-out process.
- COVID-19 Positive: A student//staff member who receives a positive COVID-19 test may return to campus once they can answer YES to all the following questions:
 - Has it been at least 7 days since the individual first had symptoms?
 - Has it been at least 48 hours since the individual had a temperature of 100.0+ (without using fever-reducing medicine)?
 - Has it been at least 3 days since the individual's symptoms have clearly been resolving, including cough and/or shortness of breath?
 - Has the school nurse cleared the individual to return to campus?
- Attendance: Absences due to health screening restrictions will not be counted as school day absences. We will maximize the use of distance learning and will work with families and staff members to help us ensure a Healthy Only campus framework. Note: the days of "grin and bear it" or "power through" are over. We can only provide a healthy campus if everyone agrees to work with us. The Good Attendance Award will not be awarded this year.
- Communication of Health Information: I/We understand that if a student or staff member has a positive COVID-19 test, we need to inform the nurse within 12 hours of said test results. I/We understand that in order to keep a Healthy Only Campus, the school must then release that information to the appropriate classes without individual identification for the sole purpose of limiting exposure to other children and staff members.

I/We hereby state that I/We, on behalf of myself/ourselves and child/student am an adult, over the age of 18, and legally competent to sign this form. I/We understand these inherent risks and dangers involved with participation in the school and providing their services. I/We acknowledge the existence of risks which are not obvious or predictable, and hereby intend to release, waive, acknowledge and covenant not to sue SSCS, to extend to injury or loss which results from both obvious or predictable risks or risks inherent in active understanding by us of the changing guidelines from the State of Georgia and the CDC, as well as risks that are unpredictable and not obvious and to extend to myself, the undersigned, and my child/student(s), as applicable.

I/We hereby agree not to enter the campus of SSCS nor permit my/our child/student to enter the campus of SSCS if I/they are feeling poorly, have any symptoms of illness (see Appendix B, Parent Handbook), have a temperature of 100.0+, or have received a positive COVID-19 test.

In consideration of myself and my child/student(s), I/we, and any legal representatives, heirs and assigns, hereby release, waive, and discharge and covenant not to sue Saint Simons Christian School, its officers, directors, employees, board members, agents, and representatives from all liability for any loss or damage, and any claim or damages resulting therefrom, whether caused by the negligence active or passive, or otherwise while myself, the undersigned, and/or

my student(s) are involved in these such activities and on the premises, equipment, facilities, and other reasonably connected property of SSCS and/or its faculty or staff on site or off site, on account of any injury, illness or exposure to and/or contracting the coronavirus (COVID-19) or other biological agents, virus or similar bacteriological agent by me, the undersigned or my child/student(s) attendance at and participation in the preschool and/or afterschool program, including any medical expenses, injury and/or death.

I agree to indemnify Saint Simons Christian School, its officers, directors, employees, board members, agents, and representatives from any loss, liability, damage, or cost that may be incurred due to my child/student's participation in the aforementioned program, whether caused by the negligence of SSCS or otherwise. I/We fully understand, on my behalf, and behalf of my child/student the risks associated with the aforementioned participation and assume any risk associated therewith.

This notice, release and indemnity agreement contains the entire agreement between and among the parties hereto, and the terms of this release are contractual and not a mere recital. Any other statements or agreements by any representative of SSCS is superseded by this agreement.

The parties to this agreement hereby agree that the interpretation and enforceability of this Release shall be governed by the laws of the State of Georgia.

I/We expressly agree that this release, waiver, and indemnity agreement is intended to be used as broad and inclusive as permitted by applicable laws and that if any portion thereof is held invalid, it is agreed that the balance shall, notwithstanding, continue in full legal force and effect.

I/We understand that by signing this agreement, I/We are giving up on behalf of my child/student and myself certain legal rights and remedies including the right for my child/student and/or myself to recover damages in the event of death, personal and/or bodily injury of any kind, property loss or damage, expenses of any nature whatsoever including attorney fees, and other losses that my student(s) or that I may sustain in association with my child/student participation in the program.

I HAVE CAREFULLY READ, UNDERSTAND, AND VOLUNTARILY SIGN THIS ASSUMPTION OF THE RISK, RELEASE, WAIVER OF LIABILITY, AND INDEMNITY AGREEMENT AND FURTHER AGREE THAT NO ORAL REPRESENTATIONS, STATEMENTS, OR INDUCEMENT APART FROM THE FOREGOING WRITTEN AGREEMENT HAVE BEEN MADE. I AM AWARE THAT BY AGREEING TO THIS AGREEMENT I AM RELINQUISHING MY LEGAL RIGHTS TO SUE OR RECOVER DAMAGES OR LOSS OF ANY KIND BECAUSE OF ILLNESS, INJURY, OR DEATH OR PROPERTY LOSS OR DAMAGE, INCLUDING, FOR THE AVOIDANCE OF DOUBT WITHOUT LIMITATION, EXPOSURE TO COVID AT ANY SSCS FACILITY OR PROGRAM ON SITE OR OFF SITE. I UNDERSTAND THAT THIS AGREEMENT IS A PROMISE NOT TO SUE AND A RELEASE OF AND INDEMNIFICATION FOR ALL CLAIMS AND APPLIES TO MYSELF, THE UNDERSIGNED, AS DEFINED HEREIN, AND SUCH CHILDREN/STUDENTS OF MINE AS IS APPLICABLE.

Note: Signatures are required for all SSCS faculty, parents, volunteers, guests, and students (GradeK4 and above) before entrance onto campus is permitted:

THEREOF, I SIGN THIS RELEASE VOLUNTARILY AS MY FREE ACT WITH FULL KNOWLEDGE OF ITS SIGNIFICANCE, INTENDING TO BE LEGALLY BOUND THEREBY.

APPENDIX B

SYMPTOMS AND SCREENING QUESTIONS

If you answer YES to ANY of the questions below, DO NOT ENTER the SSCS campus.
Contact the school nurse for advisement.

1. Have you experienced any of the following symptoms in the past 48 hours:

- fever (100.0+)
- chills
- cough (newly developed, not allergy-based)
- shortness of breath or difficulty breathing (not asthma-related)
- fatigue, muscle or body aches (newly developed, non-exercise related)
- headache (newly developed, not migraine)
- new loss of taste or smell
- sore throat
- abdominal pain
- congestion or runny nose (not allergy-related)
- nausea or vomiting (non-pregnancy related)
- diarrhea
- new confusion
- inability to stay awake

2. Has there been known exposure and are any symptoms present?

3. **Within the past 10 days**, has a public health official or medical professional told you to self-isolate, or self-quarantine because of concerns about COVID-19 infection? This includes if you are waiting on the results of a COVID-19 test that was recommended by a medical professional.
